### Schedule

Play on Saturday will be divided into AM and PM waves. All teams will advance to playoffs on Sunday. It is the team's responsibility to check and know all playing and officiating duties. Schedules can be accessed via AES on any computer or via the smartphone app.

PLEASE check your schedules carefully – if you have any questions, confirm with the championship desk before leaving the playing facility. On Sunday, teams who lose typically have to officiate the next match on their court. DO NOT leave the facility without verifying your responsibility.

### Formats

- Matches will be played best 2 out of 3 and score will start at zero.
  - First 2 sets to 25 points, third set if needed will be to 15.
  - *Due to registration numbers, there will be a few 3-team pools on Saturday that will play all three sets to 25, regardless of the outcome of the first two sets. Officials will be notified of this and will notify teams prior to starting pool play.*
- Matches during pool play will have a 2-point cap.
- Matches on Sunday will NOT have a cap.
- Warmups will be 2-4-4

### General Rules & Penalties

- Teams who arrive after the scheduled match time or who fail to report for their playing or officiating duty will forfeit their first set of their next match by a score of 0-25 and will incur a fine. If the team does not arrive within 10 minutes, the second set will be forfeited by a score of 0-25. The club will be fined \$50 per incident. Playing and officiating teams are asked to report to their court approximately 30 minutes before scheduled match time in case the previous match ends early.
- All scoresheets must be correct and completed in full. A 5-point penalty can be charged to the working team on their next match for improper or incomplete scoresheets.
- The tournament will provide professional R1s. Teams will be responsible for providing a certified R2, Scorer, Assistant Scorer and Line Judges.
- A rostered, certified adult is required to stay at the score table when their team has work duty. Only the players working the match are to be seated at the table. NO phones, music players, or other electronic devices at the score table. Violation of this rule will result in a 5-point penalty to the working team for their next match.
- The Palmetto Region has a No Tolerance Policy on screaming, yelling, or making any derogatory remarks to ANY official (R1, R2, Scorer, or Line Judges). Keep in mind, they are human, and many times they are kids. Penalty is immediate dismissal from the playing site, no warning. Region teams may face sanction to participate in future tournaments. Coaches' improper behavior can lead to sanctions from the region for coach and/or team.

## Tie Breaking Procedures

- In the event of a two-way tie in pool play, placement will be determined by the teams' head-to-head results.
- In the event of a three-way tie in pool play, tiebreaker match(es) will only be played if one or more of the teams has the opportunity to advance to the gold bracket.
  - Tiebreaker matches will be one set to 25 points, switch sides at 13, no cap.
  - Teams will be seeded in order of the following:
    1. Match record
    2. Set record
    3. Net points
  - If two teams can advance to gold, the #1 seeded team will automatically advance, and the #2 and #3 seeded teams will play each other, with team #1 reffing.
  - If only one team can advance to gold, the #2 and #3 seeded teams will play each other first, with team #1 reffing. The winner of that match will play the #1 seeded team, the loser of match 1 will ref match 2.
- In the event of a tie or potential tie, all teams should remain in the facility until it is determined if playoff matches are necessary.
